## KINGPIN CONVERTER

Sometimes called a "Cowboy" or "Ranch" hitch, the STAR "Kingpin Converter" adapts to your RV so you can tow your RV with a 2 5/16" ball.

- Smoothest ride available for your camper
- Reduces stress and fatigue at the hitch
- Absorbs jerks and bounces
- Lengthens the life of your vehicle
- Reduces wear and tear on your camper
- Protects contents of your camper from shock and stress of trip
- Long life and minimum maintenance
- Fantastic experience for all to enjoy!

- 7500 Pin Weight, 30,000 GVW
- **Patented Convert-A-Ball 2 5/16" coupler**
- Standard 14"
- **Adapts RV king pin to a 2 5/16" ball hitch in the pickup bed. Offset for short box**

**100% Made in USA**
